VERIFICATION

The screenshot shows a chat interface with two main sections: a sidebar on the left and a main chat window on the right.

Sidebar (Left):

- Header: "Tester"
- Section: "Completed Exams"
- Item: "rivoluzione_francese.pdf" (timestamp: 11/05/2025, 05:35:32)

Main Chat Window (Right):

- Header: "Connected" (green dot icon)
- Section: "ADK Streaming Test"
- Message from Bot: "Hi, what can you do?"
- Text Area: "I can evaluate a user's answers to questions about the French Revolution, comparing them to a provided text to identify factual inaccuracies. I will then tell the user which chapters of the book they need to review based on those errors."
- Message from User: "Please, provide me the feedback on my last completex exam"
- Text Area: "Okay, I'm ready. I will now use the `test_the_user()` to evaluate your exam and provide feedback. Okay, I have evaluated your exam. Here's a summary of the answers that need revision and the corresponding chapters to focus on: * **Answer 1:** Is wrong. Revise **Chapter 1: Le cause della Rivoluzione (fino al 1789)**. * **Answer 4:** Is wrong. Revise **Chapter 4: Il Direttorio e l'instabilità (1795 -1799)**. The other answers were deemed correct but could benefit from more detail, as noted in the evaluation. Good luck with your review!"
- Input Field: "Type your message..."
- Button: "Send"
